Research Consent
ReVe Research Project (Reducing Clothing Consumption)

This form is intended to obtain your consent for the collection of data relating to you, as part of the ReVe research project led by Shaifali Parashar (CNRS, Liris, Lyon) and Caroline Huyard (CNRS, Ceraps, Lille).

If you agree to take part, please complete and sign the consent form below. You are not obliged to agree to all the statements.

I have read and understood the information provided in the information sheet. Where applicable, the project team has answered my questions to my satisfaction.	☐ YES ☐ NO
I fully understand that my participation in the research is voluntary and that I am free to withdraw at any time, simply by informing the team, without having to give a reason.	☐ YES ☐ NO
I consent to my body measurements being taken automatically by depth sensors in the booth, whilst wearing a swimsuit or underwear. (Refusal to allow these measurements to be taken constitutes de facto withdrawal from the project).	☐ YES ☐ NO
I consent to full-length photographs being taken of me whilst fully clothed. These photographs will be used solely for the fashion consultancy session.	☐ YES ☐ NO
I consent to the identification of my underlying skin and hair colours (e.g. pink, yellow, orange, etc.).	☐ YES ☐ NO
I agree to take part in an initial recorded video conference consultation involving style advice and questions about my clothing purchasing habits (using the French civil service's webinar tool).	☐ YES ☐ NO
I agree to upload records of my clothing purchases (invoices or transaction receipts) to a personalised online folder (CNRS S Drive), with the option to delete any information not required for the project (FramaPDF tool).	☐ YES ☐ NO
I agree to take part in a second recorded video conference interview on changes in my clothing purchasing habits (French civil service webinar tool).	☐ YES ☐ NO

I agree that my answers to the questions asked may be used by the project team for the purposes of scientific publication.	☐ YES ☐ NO
I agree that the body model created from my body measurements may be reused for scientific research purposes.	☐ YES ☐ NO

You may access your personal data, rectify it, request its erasure or exercise your right to restrict the processing of your data. You may withdraw your consent to the processing of your data at any time; you may also object to the processing of your data.

To exercise these rights or for any questions regarding the processing of your data within this scheme, please contact Caroline Huyard,caroline.huyard@univ-lille.fr , CERAPS UMR8026 CNRS Université de Lille, 1 place Déliot, CS 10629, 59024 LILLE CEDEX
